Dear Chief Striecher:

I would like to take this opportunity to commend and thank two members of the District 4 Police Station. On February 1, 2006, I received a call from out of town that our son, Mike Collins, was alone in his apartment at 661 Gholson and was threatening to kill himself. Apparently, he was dead before we arrived there, but the officers who responded to the 911 call were as helpful as they could be.

Unfortunately, I'm not sure of the name of the first officer. My brother (Ray Faller) was told that it was either Officer Scott Beasley or Officer Will Simpson. Either way, this officer and Lieutenant Chris Ruehmer were very kind and compassionate throughout the ordeal. I would appreciate it if you would thank each of them for me. Obviously, this was a very difficult situation. They both acted with genuine concern for myself and my husband, and for that we will be forever grateful.

Sincerely,

Patricia A. Collins

We have an apartment building and business on the corner of 4th and Central. We have had a lot of problems with the folks asking for handouts at the corner of 5th and Central. They have been run out of the business way to many times and always were in the garbage looking for alcohol. Not very attractive to running a business. Over the last couple weeks there has been a noticeable difference in this activity. It has really made a great improvement in the area. We appreciate all your efforts in this area. Keep up the good work and thanks a lot... ..Mike
